The University of the Aegean Library, as a member of the Hellenic Academic Libraries Link (HEALLink), has access to Bibliographical Databases that link users to the full text of the articles they are interested in.

Users can access the list of subscription through the HEALLink website. Certain publishers support Authentication and Authorization Infrastructure (AAI) through the shibboleth software. Legislation for Copyright issues is applied to electronic publications in the same way as it is applied to the printed ones.

On using the service of bibliographic databases / full text databases, users should know that:

- They accept the provisions of the legislation being in effect for Copyright and Related (Law 2121/93; Article 14, Law 3049/2002and Article 81, Law 3057/2002) and that the systematic storage or printing of entire content of copies of electronic journals and books is prohibited.
- They responsibly declare that the information will be used exclusively for personal study or research.

Access to the list of subscriptions to bibliographic databases / full-text databases of the Hellenic Academic Libraries Association (HEALLink) is provided through the HEAL-Link webpage.
