

At the beginning of every new Academic Year, the Library and Information Centre organizes tours to all the facilities for first-year undergraduate and postgraduate students of all University Units (Schools and Departments).

During the tours, the Library staff informs students about:

- the opening hours and operation conduct (loan regulations)
- the collections
- the guidelines for individual search of library materials by accessing the Open Public Access Catalogue (OPAC) and
- the membership possess by issuing a Library member card, which is issued by the Library, and enables users to borrow materials and make use of all the Library services.
