

The University of the Aegean Library and Information Centre is an institution that provides a wide range of services to its users, including the provision of information resources, reference services, and the organization of cultural events. The library is also involved in the development of the library's infrastructure and the improvement of its services.

Internship applicants attending the programme in the Library branches are:

- Students of the Ionian University Department of Archives, Library Science and Museology
- Students of the Department of Library Science and Information Systems of the Technological Education Institute of Athens and Thessaloniki and the Aegean
- Students of the Units (Schools and Departments) of the University of the Aegean

Applicants must register to the [ATLAS support system](#) [1] by selecting their application point (School or Department), which is responsible to complete the
