

So as to facilitate users who do not have their own personal portable device, the Library provides users tablets and laptops for use on each Branch premises to support their study, research and academic needs. Library tablets and laptops enable wireless access (Wi-Fi) to the internet and to the electronic sources and services of the Library through its Portal. The authorized use of workstations must conform to the Library's mission and academic role.

Tablet and laptop loans are provided to all the authorized Library users who are members of the academic community of the University of the Aegean (undergraduate and postgraduate students, faculty members, researchers and administrative staff).
